MEDICINE

Electro-house.
Office of York Enterprise,
Yorkville, N.C., Aug. 14, 91.
Atlantic Electro-house, for the past
five years has been a sufferer from dys-
pepsia. So completely did the disease make a
wreck of her former self that life was almost de-
stroyed. Her nervous system was almost en-
tirely destroyed, and the slightest noise would
throw her into a nervous spasm, which would last
for hours. Medical skill failed to bring any re-
lief.

Through the recommendation of an eminent
divine we were induced to try the Electro-house.
After a persistent use of the instrument, the effect
has been wonderful. Her nervous system has
been restored to its almost normal condition; her
digestion is wonderfully improved; she is rapidly
gaining in flesh; and, upon the whole, is making
a rapid recovery, which speaks volumes for the
wonderful curative powers of the Electro-house, as
her case was considered hopeless. If any are
skeptical on the subject, let them try the Electro-
house, and its wonderful powers will quickly dis-
pel all doubt. Yours truly, W. M. PRINCE.

To the voters of Alexandria city and county:
In response to the request of many friends in

self a candidate for nomination as Delegate to the
Legislature.
In thus placing myself before the voters of our
city and county, I desire to say that, if elected, I

democratic party, both State and national.
Heartily thanking my many friends and solici-

I RESPECTFULLY announce myself a candi-
date for the House of Delegates, subject to the
democratic primary. An accident which has con-
fined me to my room and bed for the past four
weeks has prevented my seeing many of the voters
of Alexandria city and county, and as I have not
yet recovered from the effects of my injuries, the
same cause may deprive me of all opportunities of
a personal canvass; I therefore announce my can-
didacy through the medium of this card. I pre-
mise, if elected, faithfully and conscientiously to
represent the interest of my people.
